Subject: SAFENET Brochures

The enclosed SAFENET Brochure is an informative publication intended for all employees involved in wildland fire operations. The Brochure concisely explains the purpose of the SAFENET reporting process and the importance of individual involvement. It was developed to get this important SAFENET information to every field office and fire station in BLM and make it accessible to every firefighter. For more information, look up SAFENET on the web at [www.nifc.gov](http://www.nifc.gov) and follow the directions.

Please ensure that the SAFENET Brochures reach all field locations. If you have any questions, please contact Doug Waggoner, State Office Fire and Aviation staff, at (916) 978-4437.
